How do I book?

This is where it gets really exciting!

To secure your wedding date in our diary we ask for a 20% deposit, generated from your initial, bespoke quotation.

A second instalment of 50% shall be due 6 months prior to your big day.

Plans inevitably will be tweaked and changed over the planning process and we recognise that your initial quotation with us may alter based on your final numbers and requirements. Your final balance will therefore be due 2 weeks in advance of your day and will account for all changes and final numbers.

Initial payment - 20%

Second instalment 6 months in advance - 50%

Final balance 2 weeks prior - 100%

As an exclusive use venue, our 12 luxurious bedrooms are included within your booking as standard, with a Superior Superking Room provided for you and your fiancé with our compliments on the night of your wedding. A popular choice with our couples is to ask guests staying overnight to cover the cost of their bedroom on individual accounts. This is something we can arrange with you, for your guests to settle with us at check in. If this is of interest to you then please do advise us when we are generating your quotation and we can remove this charge to indicate the saving you can make on your final bill. Guests are usually more than happy to oblige, allowing you to allocate these funds elsewhere.
